

Pro CSS Techniques

By Ian Lloyd

Apress. Paperback. Book Condition: New. Paperback. 408 pages. Dimensions: 9.2in. x 7.0in. x 0.9in. Pro CSS Techniques is the ultimate CSS book for the modern web developer. If you've already got web design and development basics under your belt, but want to take your knowledge to the next level and unleash the full power of CSS in your web sites, then this is the book for you. It is a collection of proven CSS techniques that you can use daily to get the most out of the time you spend on your projects, from start to finish. Every topic is presented in an informative tutorial style, with each point backed up by several real-world examples and case studies. The authors cover all the essential areas of CSS development, like browser support (including IE7), hacks and filters, code management, advanced layouts and styling, typography, and much more. CSS levels 1, 2, and 3 are given a full treatment. The book also includes several reference sections that allow you to look up details quickly and easily. The book aims to help you in four areas: maintainability, compatibility, reusability, and practicality. You'll be able to keep your code organized and easy to maintain, avoiding...
