Fordham University Press. Paperback. Book Condition: new. BRAND NEW, Beyond the Supersquare: Art & Architecture in Latin America After Modernism, Antonio Sergio Bessa, Beyond the Super-Square: Art and Architecture in Latin America After Modernism, which developed from a symposium presented by The Bronx Museum of the Arts in 2011, showcases original essays by distinguished Latin American architects, historians, and curators, whose research examines architecture and urban design practices in the region during a significant period of the twentieth century.
