Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *University of Virginia: Studies in Southern Literature* The present pamphlet is merely the skeleton of a much larger work, a Virginia Bibliography for which the author has collected nearly all the necessary material. The Sketch of Virginia Literature here given was to have formed the Introduction to this larger volume; the present Check-List of Virginia Writers is simply an alphabetical enumeration of those authors whose published volumes the fuller work was to have catalogued and described; and no record at all is here made of those books published in Virginia by foreign or anonymous writers, of which a long list has been compiled. But, though the author has found it impossible to publish this complete work at present, he still hopes to do so in the near future. He therefore earnestly requests that inaccuracies, omissions, or errors of any sort found in the present pamphlet by those into whose hands it may fall, will be brought to his notice for correction. To many friends throughout the State the author owes a debt of gratitude for their encouragement and their suggestions, but above all to Dr. Charles W. Kent, of the University of Virginia, whose practical interest in the work since its inception has done most toward making its completion possible.
