Brand New Book ***** Print on Demand *****.Excerpt from Grading Pupils in Vocational Subjects Among administrative problems in education it is safe to say that the importance of none has been more largely underestimated than that of grading pupils. Even superficial scrutiny will convince an observer that almost universally the grades or marks given at the end of stated periods are at best, blanket or omnibus grades and have little, if any, significance to teacher or pupil in the way of indicating progress in acquiring desirable physical, mental and spiritual habits. Regardless of how conscientious teachers are, grades as ordinarily given may, with propriety, be referred to as covering a multitude of sins. Times without number has the writer questioned teachers relative to the true meaning of A+ or B grades only to receive a cold and somewhat disturbing stare accompanied by some such response as, It means that his work for the term has been such as to entitle him to this grade, or, I don t understand you, I don t see what you can possibly have in mind. When pressed further...
