An invaluable source of guidance for helping leaders to attain high performance with integrity. Transform your workplace with a few simple tools. Recounting the story of a teacher, a minister and a marketplace leader who support one another in their leadership challenges, this extraordinary book offers unexpected and exceptional answers to tough leadership issues such as: * How do I best serve our customers by serving our people? * How can I unify my personal beliefs and my role as a leader in a way that feels good deep down and still produces the desired results? * How can I get customers who enjoy the service, staff who enjoy their work, and still get financial well-being by leading with integrity? The authors offer simple strategies for bringing vision - and values - to the workplace by examining messages and examples from the Bible. Leadership by the Book also provides lessons for the day-to-day life of parents, coaches, entrepreneurs and religious and community leaders everywhere.
