iUniverse, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Whatever happened to the gifts of the Magi? This book traces them from their point of origin through the thirty-three years of Jesus life, each ultimately becoming an integral part of the crucifixion. Many Biblical characters are utilized including the Magi, Lazarus, Mary of Bethany, Nicodemus, the Rich Young Ruler, Herod, Archelaus, Martha, Pilate and others. The Bible provides the overall outline and the use of Biblical truth gives validity to the fictional account. Because the plot is supported by Biblical passages and so intricately woven, a reader will almost be convinced the resolution is what really happened to the gifts although it is fiction. Some readers might read this book for its mystery; others out of mere curiosity; some for its poetic symbolic foreshadowing; and others for its Biblical background, but it is my fond hope that all readers will be intrigued enough to study the Bible, for within it they shall discover marvelous stories beyond imagination! And while this story is fiction, those are not!.
