Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A batch of magical yams generates visions when eaten. In a backwoods tavern in South Carolina, a young woman and her Yankee boyfriend peddle the wonder-inspiring potatoes, rushing to sell them off before the clock strikes twelve on New Year s Eve. One man s poison is another man s witchcraft. The yams reveal that reality has no door-only a sliding curtain to a story its users will be telling forever. Hot Potato is a loud, irreverent three-act play with roughly a dozen characters. The play has its own language (and some strong language with references to sexuality). The play is a big gloppy sandwich, half of which lands in your lap if you re not careful. Hot Potato is a conversation about the things that drive us, how we overcome disappointment, and the secrets of life.
