Brand New Book ***** Print on Demand *****.Excerpt from Political History Since 1815 (Excluding the United States): A Syllabus of Lectures Prepared for Use in the Massachusetts Institute of Technology This book is intended to serve as a basis for a course of lectures upon the outlines of political history in the nineteenth century. As used in the Massachusetts Institute of Technology, it is placed in the hands of the students, who follow in its pages the oral lectures upon the same subjects. The lecturer, feeling that his hearers already know the skeleton of his topic, is at liberty to provide the flesh, blood, and life, wherever and however it may seem best. The students are required also to read selections from the references and from apposite articles in the current reviews and magazines, and to submit abstracts of this reading, periodically, to the instructor. It will be seen, therefore, that no attempt has been made to refer to works that are not to be found in a comparatively small class-library. No books have been quoted which are not easily obtainable at a small...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
