Brand New Book. Others may dread the bone-numbing cold of winter, but the killer relishes it. The way the frigid water preserves his victims, the feel of their icy skin beneath his fingers. Before long, the world will see their beauty - and his vengeance. The Bitterroot Mountains are in the grip of a hard winter when the detectives first see the two bodies: each frozen solid, yet deliberately displayed. Both victims are women known to Detective Selena Alvarez. Each of them is wearing a piece of her jewellery. Selena's partner Regan Pescoli and the entire department are working on this case, and so is P.I. Dylan O Keefe, a man Selena got too close to once before. But this killer already knows too much about the mistakes Selena has tried to outrun. The secrets of her past are coming to the surface, one by one. And soon a madman bent on revenge will show her just how much she has to lose.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
