By Richard Bronson, Govindasami Naadimuthu

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Schaum's Outline of Operations Research (2nd Revised edition), Richard Bronson, Govindasami Naadimuthu, This solved problem study guide helps you ace operations research courses! Completely worked problems show you each and every step to hundreds of solutions! Tackling the broad range of allocation problems that actually confront engineers, programmers, and analysts in today's business and industrial worlds - exactly the kind of problems that appear on operations research exams - this complete study guide gives you step-by-step guidance in all the mathematical programming techniques - including the trailblazing Karmarkar algorithm - you need to excel in any operations research course. Using illustrative word problems that reflect typical, real-world situations, this study guide eases you through the variety of mathematical choices and applications used in operations research. Clear, logical explanations and one-step-at-a-time procedures show you how to analyze and solve each type of problem. Step by step, and working at your own pace, you learn to choose and apply the appropriate method. So comprehensive that it can be used as a complete independent study course, this guide is also the perfect complement and reinforcement to any text. Hundreds of supplementary problems give you...
