

The British Charophyta, Vol. 1 (Classic Reprint)

By James Groves

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The British Charophyta, Vol. 1 This account of the British Charophyta will be completed in two volumes. The present volume embraces the Nitelleae (Nitella and Tolypella) the second will include the Chareae (Nitellopsis, Lamprothamnium and Chara). The systematic portion is preceded by an introductory chapter dealing with the growth and structure of the Charophyta generally, their distribution, affinities, etc. For the facts concerning their cytology and minute histology we have had to depend largely on the writings of others, having ourselves had little opportunity for such studies. Many separate papers have been published on these branches of the subject, especially by Continental botanists, and students wishing for further information thereon will find full references to such papers in the bibliography to be included in the second volume. The plates illustrating the species included in this volume are almost all from the pencil of Miss Mary Groves, to whom we are much indebted for this important contribution to the work; twelve are now published for the first time; four have already appeared in the Journal of...
