Waterbird

By Another Space

Another Space Ltd. Paperback. Book Condition: new. BRAND NEW, Waterbird, Another Space, In the morning of 25 November 1911 a hydro-aeroplane called 'Waterbird' took off from the waters of Windermere, flew for a short time, and alighted afloat. Herbert Stanley Adams was the pilot on this historic occasion, though the whole enterprise had been the brainchild of barrister landowner E W Wakefield of Kendal, Cumrbia. This was one of the very first successful flights from water in the world, and is now recognised as the first successful flight from water, and safely back again, in Britain. As if the rediscovery of archive material relating to E W Wakefield and his flying exploits were not exciting enough, a further trove of recently discovered personal letters and documents offer an invaluable insight into a remarkable man of his tme, and one who has much to say to today's world.

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
