Createspace, United States, 1915. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I have brought together in my library a few of the many proofs that show how true is the affection which many of your masters have for you, and some-time when I can read them to you privately, you will understand more fully the place you hold in our lives. I use the word MASTER only because our language is too poor to express in one word the real relationship which exists between us, we the master, and you the devoted slave and trusted servant, the most joyful of playfellows, and the best of companions, the bravest defender, and the truest friend. I wish I knew the word in your language which expresses all that you are to us. I also wish I knew how much you know, and could learn the many things you would gladly teach us.
