Brand New Book ***** Print on Demand *****.Excerpt from Criticisms and Controversies Relating to the Nervous and Muscular Systems I regret for the reader s sake, as well as for my own, that any personal matters should have a place in this paper, but as this is unavoidable, scientific reference, facts, and illustrations from different points of the medical compass, shedding a degree of light on some of the dim paths in the tangled forest of physiology. Content with the approval, the encouragement, the generous efforts to disseminate my researches, hitherto extended to me in Boston, New York, Philadelphia, Louisville, Lexington, Charleston, New Orleans, and elsewhere, I had determined not to reply to foreigners - not even to Dr. Hall, whose communication in the New York Journal of Medicine for January, of the current year, though restricted to eight lines, is marvellously exuberant with animosity, nay, it is positively belligerent. It is intended in another part of this paper, to take a slight observation on his parallax in the neurological heavens. There is, indeed, no necessity that I should return railing for railing, were...
