Caramel Tree Readers, United States, 2014. Paperback. Book Condition: New. 208 x 145 mm. Language: English . Brand New Book. The Caramel Tree Readers Level 5 is a delicious series of leveled readers for children ages 7 to 9. With approximately 4,000 words each, the stories provide students the opportunity to expand their reading skills by witnessing character development and more complex plots. These stories expose students to fluent prose, including idioms and colloquial language as well as more complex grammatical structures. The girls at school are super competitive, but it takes real talent to win. Sarah finds stardom despite the mean and competitive nature of some of her friends. She proves that by staying focused and determined, it is possible to win.
