*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).*

HarperCollins Publishers, United Kingdom, 2008. Paperback. Book Condition: New. 197 x 130 mm. Language: English . Brand New Book. First of a thrilling fantasy adventure series set on the Dark World, where society is ranked according to its colour clan and the most precious commodity is light. In all the world there is only one place that ever sees the sun. A seven-towered castle built upon a mountain high above the desolate ice lands below. Tal is getting ready for the Day of Ascension -- a day when all the 13-year-old Chosen from the Castle of Seven Towers enter the spirit world of Aenir. Then his father disappears with the family's Primary Sunstone. Without it, Tal cannot enter Aenir and bind himself to a Spiritshadow -- a guardian being, both protector and friend. Tal tries to steal a Sunstone, but during his act of thievery is thrown off the Castle of Seven Towers by a powerful Spiritshadow Keeper. He falls down to the iceworld below, where he is captured by Icecarls. To save his life, he must team up with Milla -- a Shield-Maiden-in-training -- and offer his aid to the nomads. Which complicates his task immeasurably!.
