Université de Yaoundé 1. Pidgin English has been in active use in Cameroon for over 500 years; it started in the Slave Trade years, resisted a German ban during the German annexation period (1884-1914) and survived post-independence neglect. It took flight when it became a makeshift language used in plantations and, today, it has left the plantations for the homes and other domains of public life. The work is divided into two parts. Part One comprises two chapters. The first gives background information on Cameroon, focusing on its geographic and economic situation. Then it examines the evolution of Pidgin, the place of this language in the linguistic landscape of the country, the users of this language, the domains of its use and finally the status and future prospects of this language in Cameroon. The second chapter, which describes the linguistic features of the language, outlines the research design that underlies the subsequent study of the pronunciation, grammar and vocabulary of this language. Part Two is a dictionary which provides a lexical inventory of common present-day...
