CROSSED SIGNALS: ONE COUPLES JOURNEY OF SEXUAL DISCOVERY

Forelsket Press, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Nate and Cynthia were a happy couple with a healthy sexual appetite until Cynthia's miscarriage altered their relationship. Nate's effort to allow Cynthia the space he thought she needed backfired and the lack of communication between them pushed them each into an extramarital encounter. Their amateurish trysts quickly exposed, they sought the aid of a sex therapist to rebuild their marriage. At the direction of the therapist they embark on a wild spree of sexual encounters that allow them to discover their true sexual identities. WARNING: Explicit sexual content. Societal expectations of gender roles have been handed down for thousands of years. The strong, alpha male will provide for his mate and protect her from harm. The subservient female will take care of her husband's needs in exchange for that protection. But what happens if a person's inherent nature goes against the expected norms? When a naturally subservient male and dominant female try to go against their true nature in order to meet the expectations of a male dominated society trouble ensues. Follow along as Nate and Cynthia discover that they have reversed their natural tendencies in order to shoehorn themselves into stereotypical gender roles. This erotically charged tale of discovery may have you questioning your own sexual position, are you as dominant or submissive as you think you are?.
