Brand New Book ***** Print on Demand *****.Excerpt from The Next Step in Agricultural Education or the Place of Agriculture in Our, American System of Education an Address Now, two radically different methods have been proposed for meeting this new educational demand in the secondary schools. The one method proposes a separate system of schools for country people, to be known as agricultural high schools, farm schools, etc., in which agriculture for boys and domestic science for girls should be the leading subjects taught, assuming that existing high schools in general shall be known and considered as city schools, whose business it is to minister to the people of the cities and their concerns as the agricultural schools should minister to the affairs of the country. Several of these agricultural high schools have been already established, notably in Wisconsin and Georgia, and a bill which is now in Congress is designed to make the distinction not only clear but permanent, as between agricultural high schools that serve the people and interests of the country, and city high schools that serve the people and interests...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
