# Australian Residential Property Development for Investors

By Ron Forlee

John Wiley Sons Australia Ltd, Australia, 2016. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. The all-in-one reference for the new residential real estate investor Australian Residential Property Development for Investors is the practical, step-by-step guide for beginners and experienced investors in the real estate and construction industries. From site selection to sale, this book walks you through each phase of the property development process to show you how careful planning can considerably enhance returns on your investment. This practical and effective guide features the latest information on development economics, the impact of electronic media, new cost-effective building methods, and a collection of case studies that illustrate these ideas in action. With a focus on practical outcomes, you ll learn how to approach the property from an investor s perspective to minimize risk and maximize returns. Australians have long had a love affair with residential property. We have one of the highest rates of home ownership in the world, and investing in residential real estate is a popular route to financial security. This book shows you how to make property development feasible within your time and budget constraints, netting you more profit and less...
