Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Story of the Great War, Vol. 4: The Complete Historical Records of Events to Date Though described as a punitive expedition in the Vienna press, this campaign cost the Austrians very dear, not only in material and in lives, but in prestige. Just what the Austrian casualties were cannot be definitely stated at this time, but at least 6,000 were killed outright on the field of battle, while at least 35,000 were wounded. And another 4,000 fell into the hands of the Serbians as prisoners. In material the Serbians report that they captured 46 cannon, 30 machine guns, 140 ammunition wagons, and a great mass of rifles, hospital paraphernalia, ammunition, stores, and other incidentals. The Serbian losses were heavy: 3,000 dead and 15,000 wounded. That they were so much less is not extraordinary, for not only were they on the defensive, but an army in flight, as were the Austrian, always loses heavily. The first onslaught of the Austrians in August, 1914, had been driven back. A disorganized mob, the soldiers of Franz Josef had fled back across the Drina and the Save, leaving thousands of dead and prisoners behind. And for over a week the little Serbian army lay panting. Military science says that a victory should always be followed up closely, for a beaten army is almost as helpless as a herd of cattle. But military science must also take into account the limitations of human muscles and nerves. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
