Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

ARAMAIC LIGHT ON EXODUS THROUGH DEUTERONOMY

Noohra Foundation, United States, 2008. Paperback. Book Condition: New. annotated edition. 224 x 150 mm. Language: English . Brand New Book. If you instinctively shy away from commentaries Aramaic Light on Exodus through Deuteronomy will surprise you! No dull theological seminary text, it carries you back almost 4000 years, providing an unusual perspective on the Torah books of Exodus, Leviticus, Numbers, and Deuteronomy. This inimitable commentary acts as a Near Eastern guide, revealing to the Western mind a more intimate picture of the socio-religious and psychological environment of the period. Its approach is simple, informative, and scholarly, without using specialized theological terminology. The comments are written in narrative form, opening a doorway into the ancient Near Eastern culture of the times. Dr. Errico and Dr. Lamsa unlock and clarify many misunderstood passages of the Torah Moses symbolic dreams and visions, his leadership, the war between the Hebrews and Egyptians, the crossing of the Red Sea, the Divine tabernacle in the wilderness, how water came from a rock, fire from heaven, many Levitical laws, the miracles and adventures in the desert, the laws of Deuteronomy, and more. They also address the most important questions of all: Does God participate in the murder of men, women and children so that the Divine Will might be fulfilled? Did God tell Moses to commit any atrocities that are found in these biblical books? This volume is not just a revision of Dr. Lamsa s Old Testament Light commentary, 1964. Dr. Errico has edited, expanded, and annotated the previous comments. In addition, this book contains unpublished material that the two of them had only drafted prior to Dr. Lamsa s death in 1975. Dr. Errico completed these comments, adding information derived from his continual research in Aramaic word meanings and Near Eastern Semitic Studies.
