It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Author Bob Young presents a story of history, mystery, faith and redemption played out in the closing days of the Civil War. Confederate Treasury Agent Patrick Graham is dispatched to break up a major counterfeiting operation. He falls for the affections of a lonely war widow and is challenged to protect arriving railroad cars filled with the Confederate treasury from Yankee raiders and a local crime boss. Bob Young s Treasure Train combines thorough research into the documented facts, with an imaginative narrative line, to create a suspenseful and always entertaining seat in those wagons for the reader.
