

The Easy Book for Living a Happy, Successful Life The Power Management Concept

By Gordon W. Jenkins

XLIBRIS. Paperback. Book Condition: New. Paperback. 266 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Gordon Jenkins was born on December 27, 1945 in small rural community of Rigby, Idaho. The first 18 years of his life, his family lived on a acre farm a few miles West of Rigby. He stated his first recollection living in a small house, his mother cooking on a wood stove and watching his father harness the horses to go out into the field to work the farm with crops of alfalfa, grain and potatoes. Later the farm became more of a dairy farm. He learned to love milk and hate milking cows-especially in minus 20-degree weather. This was all before television, computers and any modern appliances. Gordon attended public schools in that same area. After graduating from High School, the next two years were spent in Austria and Southern Germany as a full-time missionary. After returning home, he attended Brigham Young University in Provo, Utah and received a Bachelor Degree in Accounting. Later, he attended Loyola Law School in Los Angeles, California and obtained a Juris Doctorate Degree. Upon graduating from law school, Gordon and his wife, Jolene, returned to Idaho Falls, Idaho where they...

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.

-- Dr. Breana O'Kon
