Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, OCR Anthology for Classical Greek GCSE, Clive Letchford, Judith Affleck, This is the endorsed publication from OCR and Bloomsbury for the set texts to be studied at GCSE level, with first teaching in September 2016. Starting with an introduction to ancient Greek history and culture, which will set in context the passages for the exams, students are guided through the key themes and issues when translating ancient Greek, both for the unseen passages they will meet in the exam and in the set texts that they will prepare themselves. These prescribed texts will subsequently be set out in clear passages, with vocab and study questions against each section. A detailed index of vocabulary at the back of the book will complement the timeline, Who's Who and glossary at the start to give students a focused preparation for their exams. The book is supported by a website of teacher notes, model translations and student exercises and worksheets.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
