Tyndale House Publishers, United States, 2015. Paperback. Book Condition: New. 205 x 187 mm. Language: English . Brand New Book. ER nurse Macy Wynn learned essential, gritty lessons in the California foster care system: land on your feet and trust no one. She s finally located the fellow foster child she loves like a sister, but the girl s in deep trouble. Macy s determined to help, no matter what it takes. Her motto is to make it happen in any situation life throws at her--even when she butts heads with an idealistic cop. Deputy Fletcher Holt believes in a higher plan, the fair outcome--and his ability to handle that by himself if necessary. Now he s been yanked from Houston, his mother is battling cancer, and he s attracted to a strong-willed nurse who could be the target of a brutal sniper. When everything goes wrong, where do they put their trust?.
