Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. Special. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.One of the most widely read books of all time, Marcus Aurelius's immortal MEDITATIONS. Aurelius wrote the 12 books of the Meditations as a source for his own guidance and self-improvement. The writings take the form of quotations varying in length from one sentence to long paragraphs. He covers topics as diverse as the question of virtue, human rationality, the nature of the gods, and his own emotions, spanning from doubt and despair to conviction and exaltation. Aurelius also sets forth his ideas on Stoic philosophy. The influence Meditations has had over centuries of thought is immeasurable. This unendingly moving and inspiring work is often cited alongside Jean Jacques Rousseau's Confessions and St. Augustine's Confessions in discussions of the most profoundly spiritual works outside of the Bible. Meditations is a series of personal reflections by Marcus Aurelius, Roman Emperor 161-180 CE, written over a series of years in far-flung places as he led the Romans in military campaigns, quashed revolts, and dealt with the other tribulations of governing the Empire. It is best described as a spiritual journal, containing a record of the emperor's philosophical exercises. Recently, former U.S. President Bill Clinton called Meditations his favorite book.
