Royal Catalogue.) foom, HIS picturesque little room remains almost exactly in the same state as it was when finished about 1C90 for Queen Mary, who, perhaps, as well as Queen Anne, used it as a private dining room. It is, indeed, a very characteristic example of one of Wrens comfortable and eminently habitable rooms. The protruding doorway in the right-hand corner, the picturesque recess on the left-hand side of the fireplace, and the porchlike treatment of the similar recess on the other side--where is the doorway into the Queens Closet--all show how the accidents of construction and convenience may be so judiciously laid hold of, as to render what would otherwise have been a mere uninteresting commonplace room, a charmingly homelike and picturesque one. Such an example as this of Wrens artistic adaptability should be a most valuable...
