TITANIC TRAGEDY

The Collins Press, Ireland, 2007. Paperback. Book Condition: New. 226 x 160 mm. Language: English . Brand New Book. Since it sank on a cold April night in 1912 the Titanic has held a special mystery and fascination. It is unlikely our infatuation with the ship will ever fade. If anything, its allure will grow with time. It is the world's most famous sea tragedy, in which over 1,500 lives were lost. So famous, in fact, that master watchmakers Romain Jerome will create 2,012 limited edition watches from 1.5kg of steel and coal verified by Harland Wolff to be from the Titanic herself. Price tags of between A5,700 and A128,000 prove that the myth of Titanic is worth any price. Why was the ship built and what were the dreams of those who built her? The story traces the voyage from Europe, the collision with the iceberg, and the sinking - focusing on the heroism, bravery or cowardice of both passengers and crew. The rescue efforts and aftermath of the tragedy, and the finding of the wreck in the 1980s, are also included. The book paints a picture of society at the time, showing the differences in the various classes on board the ship and it demonstrates how the sinking of the Titanic taught people the importance of treating others as equals.
