Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Summary: Noting that the ways of interpreting the Bible now practiced in the West are patriarchal and oppressive of those in other parts of the world, Dube offers an alternative interpretation that attends to and respects needs of women in the two-thirds world. In a provocative and insightful reading of the book of Matthew, she shows us how to read the Bible as decolonizing rather than imperialist literature.
