Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.As a Christian, what makes your faith different than that of a Muslim, a Hindu, or even the non-faith of an atheist? Are we able to properly explain our faith to each other, let alone someone who is desperately in need of the healing power of the forgiveness of Jesus Christ? The Four Pillars of the Kingdom is an attempt to help us do just that by laying the groundwork, in an accessible manner, of what it means to be a Christian. The pillar of belief: why do we believe as we do? The pillar of knowledge: how we obtain our knowledge through scripture, prayer and even praise. The pillar of life: what is the proper Christian life and how our actions represent Christ to the rest of the world. And the pillar of love: how all love comes from God and should flow from us to those around us. Why not believe as others, Muslims, Hindus, atheists, believe? In the process, it will educate believers in the basics, the essential pillars, of our faith and to strip away the extraneous window dressing of social mores and get down to the heart of what it means to be a follower of Jesus Christ as opposed to just being a christian. This book will appeal to a wide array of believers, particularly younger Christians who need to know more than just the accepted...
